

# Enjoy swimming?

**Nottingham Leander Swimming Club**  
is the county's premier competitive club. We promote and provide for a lifetime's love of swimming.

The Leander way brings success; our focus is 'smiles not miles.' Happy swimmers make great swimmers... and we have the happiest swimmers around!

We have sessions six days a week at pools across the city and Rushcliffe - It should be easy to find sessions which suit you.

**Let us be a part of your future success!**
